

Bluegrass Community Hospital is committed to providing high-quality care close to home, further enhancing and expanding our services, and making the right investments to promote and protect the health of our region. We take seriously our responsibility to advance our mission of *making communities healthier*® and support our community as a vital economic engine. Our dedicated team is committed to going above and beyond to meet the needs of those we serve – both inside and outside our hospital walls. With support from Lifepoint Health and community partners, like you, we continue to make a positive difference together and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. Thank you.

2022 Community Benefits

Added 16 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in radiology, pathology, family and emergency medicine, infectious disease, anesthesia and telehealth psychiatry.

Made nearly \$1 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a portable X-ray, chemistry analyzer, nurse call bell system, ER bedside monitors and the new Hana orthopedic surgery table.

Distributed a payroll of \$9,580,542 to more than 120 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

Donated more than \$2.7 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$966,822 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

BCH hosted and sponsored a Healthy Aging Summit at Falling Springs Senior Center to bring awareness to new services like outpatient speech therapy and Senior Life Solutions.

BCH frontline staff taught hands-only CPR and AED demonstrations at Mentors & Meals for young adolescents in Woodford County.
